RISPOSTA AD UNA NECESSITÀ

I nostri ricambi compatibili rappresentano **un'alternativa perfettamente valida agli originali**. Offriamo prodotti affidabili, testati individualmente nel nostro laboratorio tecnico ea prezzi molto competitivi. Il nostro **team di tecnici specializzati** studia le mutevoli esigenze del settore per adattare in ogni momento, migliorandone così le prestazioni grazie al feedback che ci offrono.

Offriamo una **vasta gamma di prodotti e servizi**. Siamo produttori, come produttori di etichette bianche e per altre società e distributori.

Fin dai nostri inizi, l'obiettivo principale è stato quello di ottenere **le stesse parti**, dall'iniezione di parti in plastica, alla realizzazione di nastri trasportatori, lavorazioni meccaniche, tornitura, assemblaggio e, una lunga eccetera di processi.

POSIZIONE PERFETTA

Eduardo Repuestos Agrícolas, appartenente al gruppo *Moldes y Resinas S.L.*, ha iniziato la sua attività nel 2012 per mano di Eduardo Royo e María Rosa Lázaro, che miravano a risolvere le esigenze scoperte del mercato del vino spagnolo.

Uno dei fattori che ne ha favorito la rapida crescita è la sua posizione: Burgos, **punto geografico strategico** a metà strada tra la Ribera del Duero e La Rioja, riferimenti enologici. Ciò si traduce in un costante rinnovamento e miglioramento delle tecniche di creazione, lavorazione e produzione dei componenti offerti, nonché uno sguardo rivoluzionario alle **ultime tecniche nel mondo della vite e dell'olivo**.

UN TEAM A TUA DISPOSIZIONE

Eduardo Repuestos Agrícolas è composto da un **team dinamico e deciso**, il cui obiettivo principale è la soddisfazione del cliente.

Dall'ufficio tecnico dell'azienda vengono testati e sviluppati nuovi componenti e prodotti per adattarsi ai ritmi mutevoli del settore. Sulla stessa linea, viene offerto un servizio di progettazione di **soluzioni personalizzate** per soddisfare le esigenze specifiche dei singoli clienti.

L'**ampia rete commerciale e distributiva** acquisita in questi anni permette, dalla consulenza personale e risoluzione di ogni dubbio, alla ricezione della merce, processo in cui intervengono i diversi componenti del team.

RESPONSABILITÀ E IMPEGNO

Il gruppo cerca di ottenere la **massima qualità, il massimo assortimento e il massimo servizio**, nel più breve tempo possibile.

Velocità, puntualità e impegno sono quindi i pilastri che sostengono questa azienda, considerati essenziali e basilari quando si tratta di gestire e spedire quotidianamente i prodotti.

La filosofia dei lavoratori che compongono *Eduardo Repuestos Agrícolas* risiede nel fornire ai consumatori un maggiore comfort durante gli acquisti, soddisfare le loro esigenze di prodotto aumentando la specializzazione e adeguando il prezzo. In breve, quello che vuoi è **migliorare la vicinanza e la fedeltà del cliente**.

CATALOGO COMPLETO

Una delle caratteristiche principali che differenzia il nostro marchio sul mercato è che siamo produttori, la maggior parte dei pezzi parte dal nostro laboratorio di progettazione con la scelta dei materiali, passa attraverso un processo di produzione e culmina con il controllo di qualità.

Offriamo, oltre ad un ampio catalogo di prodotti di nostra proprietà e compatibili con altri marchi (*New Holland, Gregoire e Pellenc*), la fornitura di un'altra serie di prodotti originali, che siano o meno a catalogo.

I nostri prodotti possono essere acquistati online o fisicamente presso le nostre strutture. Prima di ogni dubbio o problema, il nostro ufficio tecnico si adopererà per la sua risoluzione.

NAZIONALE E INTERNAZIONALE

Eduardo Repuestos Agrícolas ha iniziato la sua presenza in Spagna, ma a poco a poco i suoi prodotti hanno raggiunto una moltitudine di persone provenienti da diverse parti del pianeta.

L'obiettivo principale di questa internazionalizzazione è che tutti possano godere della qualità e del buon prezzo dei nostri prodotti.

Tutto questo grazie alla competenza e alla qualificazione del team, che padroneggia diversi linguaggi in modo che il rapporto con il cliente sia ottimale e comprensibile.

Allo stesso modo, è stata presente in alcune delle più importanti fiere agricole **FIMA, EIMA & SITEVI**.

SVILUPPO COSTANTE

Da *Eduardo Repuestos Agrícolas* guardiamo al futuro con l'obiettivo di consolidarci nei principali mercati mondiali, nonché di espandere i nostri traguardi e obiettivi in progetti futuri e prototipi.

Riteniamo fondamentale l'esperienza di tutti questi anni, così come quel desiderio intrinseco che ci porta a migliorarci quotidianamente ea fornire al cliente ciò di cui ha bisogno.

Ogni anno miglioriamo, ogni anno il nostro catalogo si amplia e si completa, ma tutto questo non sarebbe possibile senza di te, senza quella fiducia che riponi in noi e ci aiuti ad andare un po' oltre.

Grazie per la tua lealtà e supporto.

~ Eduardo Repuestos Agrícolas
